## The Homestead

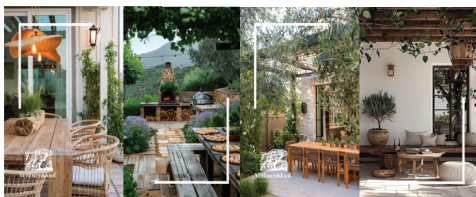

Our newest and final croft at Verlorenkloof Estate will be built specifically to accommodate those who would like to bring their dogs on holiday with them when they visit their home in the mountains. This modern-farmhouse styled croft will feature 4 en-suite, double bedrooms and a flatlet for teenagers, grannies, or nannies with ample outside area for the dogs to play and run around. Owners will also have access to specifically designated areas on the estate where they will be able to walk their dogs and enjoy the scenic beauty and tranquillity of Verlorenkloof.
